

COMMONWEALTH OF PENNSYLVANIA  
MILK MARKETING BOARD

Official General  
Order No. A-878 AMENDED

Posted: August 5, 1993  
Effective: August 15, 1993

ESTABLISHING THE NORTHEASTERN MILK MARKETING AREA, AREA NO. 3  
FIXING MINIMUM PRICES FOR MILK AND CERTAIN MILK PRODUCTS AND  
OTHERWISE REGULATING THE CLASSIFICATION, MARKETING AND  
DISTRIBUTION OF MILK AND MILK PRODUCTS IN AREA NO. 3

The Commonwealth of Pennsylvania, Milk Marketing Board, under the authority conferred by the Milk Marketing Law (Act of July 31, 1968, P.L. 963, No. 294), as amended, hereby orders that all parts of Milk Marketing Official General Orders inconsistent with this Official General Order No. A-878 Amended are superseded with respect to the Northeastern Milk Marketing Area, known as Milk Marketing Area No. 3. This Order shall become effective at 12:01 a.m., August 15, 1993.

SECTION A  
SCOPE

This Official General Order shall govern the classification, sale, and distribution of milk within Area No. 3 as defined in Section B.

SECTION B  
DEFINITIONS

The following words and terms shall have the meanings set forth below unless the context clearly indicates otherwise:

Area No. 3 - All municipalities, cities, boroughs, and townships within the following counties: Bradford, Carbon, Clinton, Columbia, Lackawanna, Luzerne, Lycoming, Monroe, Montour, Northumberland, Pike, Potter, Schuylkill, Snyder, Sullivan, Susquehanna, Tioga, Union, Wayne, and Wyoming.

Consumer - Any person, natural, corporate, statutory or governmental, other than a milk dealer or handler, who purchases milk for consumption or use by himself or others.

Fluid Milk Product - Milk, skim milk, buttermilk, plain or flavored milk and milk drinks (plain or flavored) including reconstituted milk or skim milk, concentrated milk not in hermetically sealed containers, and products made from fluid skim milk or from nonfat milk solids to which vegetable fat has been added.

Fluid Cream Product - Cream, including but not limited to, aerated cream and sterilized cream or a mixture of cream and milk or skim milk containing 10 percent or more butterfat.

Limited Service - The delivery of price controlled products in a manner that complies with the requirements of Section F, Provision 7, Paragraphs (b) through (g).

Multi-Store Group - Three or more stores that satisfy the requirements set forth in Section F, Provision 8.

Over-Price Premium - A price paid to a producer or producer cooperative for all classes of milk that is in excess of the mandated producer price.

Person - An individual, corporation, association, partnership, limited partnership, or other unincorporated enterprise owned or conducted by or on behalf of two or more individuals or other persons.

Primary Supplier - A milk dealer making a wholesale sale of Class I products to a multi-store group for a price that is discounted under Section F, Provision 8, based upon the volume of sales by that milk dealer to the multi-store group and the individual stores within the multi-store group.

Producer - A person producing milk.

Retail Home Delivered - A retail sale where the fluid milk product or fluid cream product is delivered to the consumer's home.

Retail Sale - The sale of a fluid milk product or fluid cream product, or both, to a consumer.

Secondary Supplier - A milk dealer making a wholesale sale of Class I products to a multi-store group for a price that is discounted under Section F, Provision 8, based upon the volume of sales by another milk dealer to the multi-store group and the individual stores within the multi-store group.

Wholesale Sale - The sale of a fluid milk product or fluid cream product, or both, by a person other than a producer to a person other than a consumer.

- (e) In skim milk in any modified fluid milk product or in any product specified in Provision 2(a) of this section that is in excess of the quantity of skim milk in such product that was included within the fluid milk product definition pursuant to the New York-New Jersey Marketing Order (Federal Order 2); and
- (f) In shrinkage assigned pursuant to the New York-New Jersey Marketing Order (Federal Order 2).

PROVISION 4 - CLASS III-A MILK

Class III-A milk shall be all skim milk and butterfat used to produce nonfat dry milk powder and which is designated as Class III-A under federal law and applicable federal regulations.

SECTION D  
MINIMUM CLASS PRICES

PROVISION 1 - CLASS PRICES

A milk dealer shall pay a producer or cooperative any Board mandated premiums plus the following minimum class prices for each hundredweight of milk that the producer or cooperative delivers or makes available on consignment or otherwise to the milk dealer:

- (a) The Class I price for the month shall be the Class I price established under Federal Law and applicable Federal Regulations for that area within the 201-210 milk zone of Federal Order No. 2 plus \$.15, plus any Board mandated premiums.
- (b) The Class II price for each month shall be the Class II price established under Federal Law and applicable Federal Regulations for Federal Order No. 2 as announced and published by the Federal authorities responsible.
- (c) The Class III price for each month shall be the Class III price established Federal Law and applicable Federal Regulations for Federal Order No. 2 as announced and published by the Federal authorities responsible.
- (d) The Class III-A price for each month shall be the Class III-A price established under Federal Law and the Federal Regulations applicable to the milk being priced.

PROVISION 2 - FLUID SALES OUTSIDE PENNSYLVANIA

The producer price for all fluid milk produced in Pennsylvania, processed, bottled or packaged, and sold or disposed of outside the Commonwealth of Pennsylvania as fluid milk (PMMB Class I equivalent) shall be determined as follows: The producer price for milk of similar use prevailing in the market area in which such milk is ultimately sold shall be ascertained by the Board and announced not later than the fifth day of each month, or the prior business day if the fifth day is a Saturday, Sunday, or holiday.

PROVISION 3 - BUTTERFAT DIFFERENTIAL; DIRECT DELIVERY DIFFERENTIAL

The butterfat differentials and the direct delivery differential established under federal law and the applicable federal regulations for the New York-New Jersey Marketing Order (Federal Order No. 2 ) are incorporated herein.

PROVISION 4 - USE OF EQUIVALENT PRICE

If a price quotation used in determining the Class I, II, III, or III-A price or the butterfat differential, or both, is not available, the Board shall determine and use an equivalent price.

PROVISION 5 - SALES IN OTHER AREAS

The producer price of milk shall be determined according to the Official General Order for the milk marketing area in which the milk is located when it leaves the selling dealer's control. Milk shall be presumed to leave the selling dealer's control upon:

- (a) Arrival at the destination point designated by the purchaser if the seller incurs the costs of delivery;
- (b) Placement on the seller's dock if the purchaser takes possession using;
  - (1) Equipment owned or leased and personnel employed by the purchaser; or
  - (2) A trucking company that is independent from the seller. In determining whether a trucking company is independent from the seller, the Board will consider the totality of the relationship between the seller and the trucking company, including whether the seller;
    - (A) Owns any interest in the trucking company and, if so, the extent of such interest;
    - (B) Shares common directors, officers, management personnel or employees with the trucking company;
    - (C) Uses equipment or facilities in common with the trucking company;
    - (D) Shares common accounting, purchasing, accounts receivable or billing operations with the trucking company;
    - (E) Has common financing or credit arrangements with the trucking company.

SECTION E  
PAYMENTS TO PRODUCERS

The amount owed by a milk dealer to a producer shall be determined as follows:

- (a) The number of pounds of milk and butterfat handled, sold, used or disposed of by the milk dealer for each class of milk as defined in Section C of this Official General Order shall be totaled by class and adjusted for milk received from sources other than producers as set forth in 7 Pa. Code Chapter 143.
- (b) The adjusted total pounds of milk and butterfat handled, sold, used or disposed of by the milk dealer for each class of milk as determined under Paragraph (a) shall be multiplied by the prices and butterfat differential prescribed in Section D of this Official General Order using the weighted average butterfat test of the milk used for each classification.
- (c) The total value of all classes of milk as determined under Paragraph (b) of this Official General Order shall be divided by the total pounds of milk and butterfat received by the milk dealer from producers to determine the "blended rate per hundred pounds of milk."
- (d) The milk dealer shall pay each producer from whom the milk dealer received milk according to 7 Pa. Code Chapter 143.
- (e) No deductions or assessments of any kind, type or nature

- whatsoever shall be made from the producer prices set forth in this Order unless permission in writing is first received from the producer. All such deductions shall be itemized in detail on the monthly statement to producers.
- (f) A monthly statement shall be rendered producers in accordance with 7 Pa. Code §143.14.
  - (g) In the case of any handler making payments to producers through the operation of a market-wide pool, the Board will recognize such pool debits and/or credits to the accounts of such handlers. Payments for marketing services by federal market administrators and assessments for Order administration shall not be recognized as a payment to producers.

## SECTION F RESALE PRICES

### PROVISION 1 - MINIMUM RESALE PRICES

Subject to the remaining Provisions of this section, the minimum wholesale and retail prices for fluid milk, fluid milk products, and fluid cream sold or made available in Area No. 3 by persons other than producers, shall be as set forth below. Wholesale sales and retail sales in any other milk marketing area shall be paid for in accordance with the prices established for that area.

- (a) The minimum wholesale prices prescribed in Schedule I of this Order are the prices applicable to a wholesale sale of packaged or bulk Class I or Class II fluid milk products and fluid cream products, or both. The minimum prices set forth in Schedule I may be reduced by any applicable discount set forth in Provision 7 of this section.

Return of nondefective controlled product is prohibited under any circumstances or pricing scheme. Sales of fluid milk products or fluid cream products between licensed dealers shall be governed by Provision 8 of this section.

- (b) The minimum retail out-of-store prices prescribed in Schedule II of this Order are the minimum prices to be charged by and paid to a store by a consumer who purchases a fluid milk product or fluid cream product, or both, for off-premise consumption or use. These prices are applicable irrespective of off-premise use by the consumer.
- (c) The minimum retail home-delivered prices prescribed in Schedule II, Footnote 3 of this Order are the minimum prices to be charged and paid when the product purchased is delivered by a milk dealer or subdealer to a consumer. These prices are applicable irrespective of ultimate use by the consumer and apply to all sales to a consumer except those as defined in Paragraph (b) of this Provision.

## PROVISION 2 - RESALE PRICE ADJUSTMENT

The minimum resale prices for all products, including light, medium and heavy cream, prescribed in Schedules I and II of this Official General Order shall be adjusted upward or downward with movements in the Class I price, the prevailing area milk cost, and the butterfat differential. The adjustment of resale prices shall be made on the basis of eighteen cent brackets.

The first bracket established shall range from \$15.81 to \$15.98. Eighteen cent brackets above \$15.98 and below \$15.81 are also established. (For example, the next lower bracket shall range from \$15.63 to \$15.80).

An upward or downward movement in the Class I price from bracket to bracket shall trigger a corresponding 1/2 cent per quart adjustment in resale prices (on all levels, including wholesale, wholesale bulk, retail out-of-store, and retail home delivered) for each bracket movement.

For example, Table 1 demonstrates, for standard milk 3.25 percent to 4 percent butterfat content only, the resale price adjustments which would occur by reason of movements in the Class I price between the ranges of \$10.95 and \$20.12. Similar adjustments will occur in all sizes and types of containers for all products at all levels. The effect of this Provision is not limited to Class I movements within the aforementioned range only. Table 1 is set forth as an example to demonstrate the adjustments under this Provision.

## PROVISION 3 - PREVAILING AREA MILK COST

The prevailing area milk cost shall be determined on a monthly basis in the following manner:

- (a) All dealers selling milk in Area No. 3 shall report to the Board monthly the total amount paid for producer milk including all premiums, handling fees, quality or service premiums or other costs directly associated with procurement of milk from producers for the previous month and the volume of all classes of milk which they purchased for resale in Area No. 3.
- (b) Monthly, the Board shall compute the weighted average over-price premium of classes of milk purchased for processing and resale in Area No. 3.
- (c) The prevailing area milk cost for any month shall be the weighted average over-price premium plus the price of Class I milk purchased for processing and resale in Area No. 3 for the third month preceding that month.
- (d) The prevailing area milk cost shall be published not later than the fifth day of the month preceding the month in which that price shall be in effect or on the prior business day if the fifth day is a Saturday, Sunday, or holiday.

PROVISION 4 - BUTTERFAT DIFFERENTIAL ADJUSTMENT

After determining the Class I price as set forth above and applicable wholesale price bracket, wholesale prices shall be adjusted to reflect changes in the butterfat differential as set forth in Table 2.

PROVISION 5 - PRICING MULTIPLE UNIT PACKAGES

- (a) Where two quart containers are fastened together for sale as a half-gallon package or where two half-gallon containers are fastened together for sale as a gallon package, the resulting package may be sold at the prices established for paper one-half gallons and plastic gallons respectively on Schedules I and II of this Order plus \$.01.
- (b) When a package comprised of two quarts fastened together is offered for sale as a half-gallon and when a package comprised of two single half-gallons fastened together is offered for sale as a gallon, the package so offered shall be marked in such a manner that when separated, the component parts thereof shall be clearly identified as an integral part of the larger single package. For example: One of the quart containers may be marked "HALF" and the remaining quart container may be marked "GALLON"; one of the half-gallon containers may be marked "ONE", the other half-gallon container "GALLON"; or the word "TWIN" may be marked on one container and the word "PACK" may be marked on the other.
- (c) A package must be fastened together by one of the following means:
  - (1) Stapled at the plant in such a manner that separation of the package would be clearly evident;
  - (2) Glued at the plant in such a manner that separation of the package would be clearly evident;
  - (3) Fastened by a nonperforated handle at the plant, which is glued or stapled to both components of the package in such a manner that separation of the package would be clearly evident; or
  - (4) Taped at the plant by a heat sealing process so that separation of the package would be clearly evident.
- (d) All sales of any other combination package shall be at no less than the sum of the prices of its component parts.

PROVISION 6 - EXEMPTIONS FROM BULK RESALE PRICING PROVISIONS

The following sales of bulk milk or bulk cream or both are exempt from the resale prices set forth in Schedule I of this Order:

- (a) Any sale of bulk cream in excess of 320 quarts per sale;
- (b) Any sale of bulk milk or bulk cream (sweet or sour) to a manufacturer of food products, PROVIDED, the milk or cream is used exclusively for the manufacture of food products at the plant or plants of such manufacturer, and no fluid milk or cream is moved from such manufacturing location;

- (c) Any sale to a bakery, hotel, restaurant, hospital, or institution which operates a commissary separate and apart from its other accommodations. "Separate" and "apart" as used herein means separately housed and completely detached from its other accommodations.
- (d) This Provision is not applicable to any sales where physical possession is taken, by the buyer, in bulk milk dispenser cans or containers, gallon, half gallon, quart, pint, one-third quart, half pint, or other similar containers for which a price is established by this Order.
- (e) Any sale made under this Provision cannot be used in computing the average daily delivery under the bulk pricing provisions of Schedule I of this Order.
- (f) A dealer making sales under this Provision, whether cash or credit, shall be required to have readily available for inspection by personnel of the Board, for a period of two (2) years, the following:
  - (1) Exact location of the manufacturing plant(s) where products were utilized;
  - (2) The selling price and quantity of any product sold under this Provision together with the price and quantity of any other products sold;
  - (3) A record from which the Board can readily ascertain the method by which the sales price was determined.

PROVISION 7 - LIMITED SERVICE DISCOUNTS

- (a) A person making a wholesale sale of Class I products may, where the products are to be delivered on a limited service basis, reduce the prices set forth in Schedule I of this Order by:
  - (1) 4 percent if the weekly average delivery to an individual stop is at least 100 quarts;
  - (2) 11 percent if the weekly average delivery to an individual stop is at least 250 quarts;
  - (3) 15 percent if the weekly average delivery to an individual stop is at least 400 quarts;
- (b) For purposes of this Provision, the weekly average delivery shall be the total number of quarts of Class I price controlled products, net of returns of defective products, delivered to or picked up by the purchaser at an individual stop for resale in the original package divided by the number of actual deliveries of price controlled products made from 12:01 a.m. on Monday to 12:00 midnight on the following Sunday. Each seller making a wholesale sale may consider only his own sales and not sales by other sellers in determining whether the purchaser qualifies for a price reduction under this Provision.
- (c) All Class I price controlled products sold and purchased under this Provision shall be purchased for resale or use in Area No. 3.

- (d) All Class I and Class II products shall be delivered to one specified receiving point used normally for the receiving of food products. The purchaser shall be responsible for any further handling of the products to which the discount applies. Rotating stock, stocking shelves or inventorying products is prohibited. In addition to all other requirements set forth in this Provision, for the discount to apply, all products handled on such delivery, whether price controlled products or not, shall be delivered on a "limited service" basis.
- (e) The price reductions set forth in this Provision shall apply only when an order for such Class I controlled products is placed by the purchaser at least one day before each delivery.
- (f) All sales made under this Provision are final. Any allowance for returns is prohibited except for defective products.
- (g) Empty cases or containers shall be assembled by the purchaser for convenient pickup by the seller.
- (h) This Provision does not apply to sales to schools but is applicable to any sales of bulk or dispenser milk as priced in the Bulk Section of Schedule I.
- (i) The price reduction for sales in bulk containers is to be applied to the bulk per quart prices established in Schedule I.
- (j) All reductions in the prices set forth in Schedule I made for any purpose shall be rounded to four decimal places on an item by item basis. If the fifth decimal place is five or more, the fourth decimal place shall be increased. If the fifth decimal place is less than five, the fourth decimal place shall remain unchanged. For example, \$1.05655 becomes \$1.0566 and \$1.0565499 becomes \$1.0565.

PROVISION 8 - MULTI-STORE DISCOUNT: QUALIFICATION

- (a) Three or more stores may form a multi-store group provided all of the following are satisfied:
  - (1) The stores are owned by the same person or persons or are operated under franchises granted by the same franchisor or purchase milk pursuant to a contract entered into by the same contracting entity;
  - (2) All invoices for milk purchased by the stores are received, processed, and paid by the common owner, franchisor or contracting entity; and
  - (3) The primary dealer files with the Board a sworn statement listing the name, address, and average weekly volume of milk purchases of each store that is a member of the multi-store group. The multi-store group may file the information required by this paragraph if the primary dealer fails to do so.
- (b) A milk dealer making a wholesale sale of Class I products

- to a multi-store group on a limited service basis as set forth in Section F, Provision 7, Paragraphs (b) through (j) may reduce the prices set forth in Schedule I:
- (1) 4 percent if the weekly average delivery to an individual location is at least 100 quarts;
  - (2) 11 percent if the weekly average delivery to an individual location is at least 250 quarts;
  - (3) 15 percent if the weekly average delivery to an individual location is at least 400 quarts;
- (c) The weekly average quarts per delivery to an individual location shall be determined by dividing the total number of quarts of Class I products delivered to the location by the primary supplier, net of returns of defective products, by the number of actual deliveries of Class I products to the stop by the primary supplier between 12:01 a.m. on Monday to 12:00 midnight on the ensuing Sunday.
- (d) Each location shall receive the Class I products sold under this provision at one specified point normally used for receiving food products. The purchaser shall be responsible for any further handling of the Class I products sold under this provision.

PROVISION 9 - MULTI-STORE GROUP: SECONDARY SUPPLIER

- (a) A secondary supplier making a wholesale sale of Class I products to a store that is a member of a multi-store group may reduce the prices set forth in Schedule I of this Order by the same percentage that the primary supplier is permitted to reduce its prices.
- (b) A secondary supplier selling milk to a member of a multi-store group must comply with all the requirements set forth in this Order that apply to the primary supplier except for the volume of purchases.

PROVISION 10 - MULTI-STORE DISCOUNT: ADDITIONAL DISCOUNT

- (a) A primary supplier or a secondary supplier making a wholesale sale of Class I products to a multi-store group on a limited service basis may reduce the prices set forth in Schedule I by an additional 2 percent if the weekly total deliveries of Class I products to the multi-store group is at least 25,000 quarts.
- (b) The weekly total deliveries of Class I products to the multi-store group shall be determined by adding the total number of quarts of Class I products delivered to each store member of the multi-store group, net of returns of defective products between 12:01 a.m. Monday and 12:00 midnight on the ensuing Sunday.
- (c) The additional discount permitted by this provision may be given to the common owner, franchisor or contracting entity only and not to the individual store members of the multi-store group. A common owner, franchisor or

contracting entity that accepts the additional discount permitted under this provision shall be deemed to guarantee payment to the primary supplier or the secondary supplier, or both.

PROVISION 11 - LICENSEE TO LICENSEE DISCOUNTS

- (a) A licensed milk dealer selling fluid milk products or fluid cream products, or both, to a licensed milk dealer or subdealer may reduce the prices set forth in Schedule I of this Order by 22 percent.
- (b) The price reductions set forth in Paragraph (a) of this Provision may be made only if:
  - (1) The buyer takes physical possession of all products purchased on a single drop basis;
  - (2) The selling dealer does not provide to the purchaser any labor or other personal service in connection with the transportation for resale of the products purchased unless the purchaser pays the selling dealer a fully cost-justified payment for such services; and
  - (3) The selling dealer does not pay consideration of any type to the purchaser for services rendered.
- (c) All reductions in the prices set forth in Schedule I made for any purpose shall be rounded to four decimal places on an item by item basis. If the fifth decimal place is five or more, the fourth decimal place shall be increased. If the fifth decimal place is less than five, the fourth decimal place shall remain unchanged. For example, \$1.05655 becomes \$1.0566 and \$1.0565499 becomes \$1.0565.

PROVISION 12 - NEW TYPES OF MILK OR CONTAINERS

No product or type of milk or cream or size of container for which a price is not specifically prescribed herein shall be used or sold within the Commonwealth until authority is granted by the Milk Marketing Board for its use or sale.

PROVISION 13 - RETURNABLE REUSABLE CONTAINER DEPOSIT

A deposit shall be charged and collected on each returnable, reusable container as follows:

	<u>Gallon</u>	<u>1/2 Gallon</u>
Dealer to Wholesale Customer	\$0.50	\$0.40
Store to Consumer	.50	.40
Dealer to Consumer	.50	.40
