MONTHLY PLASTIC CONTAINER COST ADJUSTMENT FILING DATE CHANGE FOR PART X OF FORM PMMB-62

In order to respond to recent volatility in resin and plastic container costs, the Board is modifying its procedures for making monthly adjustments to plastic container costs.

Effective immediately, those milk dealers who complete the Container Cost Survey Worksheet (Part X of PMMB-62) should file the Worksheet by the 14th day of the month to reflect plastic container and/or resin costs contained in the most recent current invoice.

For example, a milk dealer with a plastic container invoice dated October 13, 2005, would use that invoice when completing the Container Cost Survey Worksheet for October 2005, to be filed by October 14, 2005.

With this modification, changes in plastic container costs will be included in resale prices in the month immediately following the month the changes occur.

Container Cost Survey Worksheets reflecting September 2005 invoices should be filed with the Board by 4:00 pm on September 21, 2005, so that changes in September 2005 costs can be included in October 2005 resale prices, which will be announced on September 23, 2005.

This change in the filing date for Part X of PMMB-62 does not change the filing date for the rest of PMMB-62 (i.e., by the 25th day of the month following the month for which the activity is reported), nor does it affect those milk dealers who do not file Part X.
