**PMMB-60 LONG FORM  
MODIFICATION OF BULLETIN 1579**

On October 28, 2020, Board Staff circulated Bulletin 1579 regarding a revision to the Milk Dealer's Financial Statement (PMMB-60) to account for controlled and non-controlled sales and expenses.

Board Staff has determined that it would be more efficient to work with a select subset of milk dealers on controlled and non-controlled reporting. That subset of milk dealers has been selected and contacted by Board Staff.

In light of Board Staff working with the select dealer subset, the revised PMMB-60 will not be used to report 2020 financial information. Board Staff will email pre-filled PMMB-60 long forms by the end of February 2021. Milk dealers that receive a pre-filled form from Board Staff should use that form.

As always, dealers are encouraged to complete and return the PMMB-60s as early as possible so that Board Staff can begin the cost replacement hearing audit process.
