**TRANSACTIONS WITH UNLICENSED ENTITIES AND  
LATE LICENSE RENEWALS**

It is a violation of the Milk Marketing Law for a licensee to buy milk from, or sell milk to, an entity that is required to have a license but does not have the required license.

Board Staff is working with licensed dealers to identify unlicensed dealers and subdealers..

Effective July 1, 2022, with the beginning of the 2022-2023 license year, the prohibition against transactions with unlicensed entities will be enforced by Board Staff. This will include dealers and subdealers that have not renewed their licenses by June 15, 2022.

The Milk Marketing Law requires license renewals be filed on or before June 15 for each license year beginning July 1. Board Staff will consider license renewals received after June 15 to be violations of the Milk Marketing Law.

Prior to July 1, 2022, Board Staff will post on the Board website (<https://www.mmb.pa.gov/Pages/default.aspx>) and circulate to the regulated community a list of dealers and subdealers that did not renew their licenses for the 2022-2023 license year. On and after July 1 Board Staff will consider transactions with those unlicensed entities to be violations of the Milk Marketing Law.
