**LICENSE RENEWAL ENFORCEMENT  
VIOLATIONS FOR OPERATING WITHOUT A LICENSE**

Beginning with the 2022-2023 license year, the Board will strictly enforce Milk Marketing Law license renewal requirements. The milk dealer, milk subdealer, and milk hauler license years begin July 1, 2022. Complete renewal applications for each of those licenses are due by June 15, 2022.

It is a violation of the Milk Marketing Law to operate without a license. It is also a violation of the Milk Marketing Law to do business with entities that are required to be licensed and are not licensed.

On June 16, 2022, Board Staff will begin contacting licensees that have not submitted a complete renewal application. If a complete renewal application is not received and processed by June 30, 2022, the license will not be issued to be effective July 1, 2022.

On July 1, 2022, Board Staff will notify those that have not submitted complete renewal applications that they are operating without a license. Board Staff will also begin notifying customers and vendors of those operating without a license that they will be in violation of the Law if they do any business with unlicensed entities.

Contact the Board office at 717-787-4194 with any questions regarding license renewal.
