STAFF AUDIT AND PREPARATION PRIORITIES
IN-STORE HANDLING COSTS HEARING
COST REPLACEMENT HEARINGS

An in-store handling costs hearing has been pending for almost four years. The Board intends to prioritize holding this hearing.

Financial audits and other preparation for the annual cost replacement hearings will continue. However, some personnel will be dedicating time to preparing for the in-store handling costs hearing. This will delay some preparation for the cost replacement hearings.

Staff anticipates that preparation for cost replacement hearings will be complete after January 1, 2023.
